PROFESSIONAL SUMMARY

Growth Marketing Manager with experience in market expansion, paid media, content strategy, CRM systems, and automation. Led expansion for an Australian immigration company into Pakistan and Dubai, managed \$8K-\$10K in monthly ad spend, reduced CPL by 83% while improving lead quality, and increased campaign launch speed by 7x.

CORE SKILLS

Growth & Strategy: Growth marketing, market expansion, go-to-market strategy, ICP refinement, offer development, brand positioning, content strategy, funnel architecture

Paid Media & Analytics: Meta Ads, TikTok Ads, GA4, CPL optimization, creative testing, campaign reporting, lead quality analysis

Automation & Operations: GoHighLevel, n8n, CRM workflows, lead qualification systems, AI-agent integration, process automation

Leadership: Team leadership, launch execution, cross-functional coordination, sales-marketing alignment, performance management

PROFESSIONAL EXPERIENCE

Consultwise Tech | Marketing Manager (Offshore) | Nov 2025 - Present

- Led expansion from an Australia-only client base into Pakistan and Dubai by owning market launch strategy, offers, and day-to-day growth execution.
- Reduced CPL by 83% while improving lead quality by refining ICP criteria, rewriting content around buyer pain points, and improving qualification logic in GoHighLevel.
- Increased campaign launch speed by 7x, from 1 campaign every 10 days to 15-20 creatives per week, by systemizing testing across paid media, content, and operations.
- Improved operational efficiency by 18% and supported lead volume in the tens of thousands by automating workflows and managing \$8K-\$10K in monthly ad spend.
- Managed a 4-person team across launch execution, local growth initiatives, and sales handoff quality.

Consultwise Tech | Growth & Automation Specialist | Apr 2025 - Oct 2025

- Built a GoHighLevel lead qualification system for high-volume inbound leads by designing CRM stages, routing rules, and follow-up workflows.
- Integrated GoHighLevel with AI-agent and automation workflows across marketing and operations, replacing manual handoffs with systemized execution.
- Accelerated offer validation by researching new ideas, shaping offers around market pain points, and launching structured tests before scaling.

PROFESSIONAL EXPERIENCE (CONTINUED)

Bending Spoons | Brand Strategist | Apr 2023 - Sep 2024

- Earned promotion from Junior Content Strategist to Brand Strategist in 13 months by leading brand and content strategy across social, web, and email.
- Built social media and content frameworks that improved message consistency across channels and gave client portfolios clearer positioning.
- Shaped campaign narratives, content direction, and audience messaging by combining market research, competitive analysis, and brand strategy.

Bending Spoons | Junior Content Strategist | Mar 2022 - Apr 2023

- Supported social media and content strategy across 3 channels by refining content pillars, messaging themes, and creative direction with design and analytics teams.
- Helped plan and execute multi-channel content calendars and campaign assets based on engagement signals and audience insights.
